

School Improvement Advisory Committee

April 24, 2018 3:30

Peosta Media Center

Present: Stephanie Lake, Tim Harbaugh, Wendi Erzen, Mary Smock, Kevin Clemens, Shirley Hoefler

Absent: Andy Hyland

## Agenda

Review Purpose of SIAC – advisory to the school board, review our data, offer recommendations to the board

### **CASA**

CASA Data was shared. The committee reviewed our long range goals and made note of our progress. Mary presented the group with an overview of the FAST system. Seton now will have the capacity to also use FAST as a universal screener in MATH.

FAST data was shared and discussed. Seton continues to make progress toward their goal of 80% proficiency.

The new math curriculum was discussed. Challenges and benefits were noted.

Student assessment data on Iowa Assessments was shared. Strengths and weaknesses were discussed. Math computation continues to be our lowest area.

No recommendations concerning student achievement are recommended at this time.

### **School Safety**

The committee was updated on current safety initiatives. A new security system will be installed this summer. Teachers have been trained in lock down procedures. The administration continues to work with law enforcement to update safety plans.

No recommendations for the board at this time.

### **Wellness Plan**

The current wellness plan was reviewed. The change in no longer offering peanut butter sandwiches was discussed. Mary explained the guidelines of the amount of peanut butter it would take to satisfy the state requirements. The committee recommends that students continue to encourage students to try new foods and focus on healthy eating.

### **2017 – 18 Needs Assessment**

The 2017 – 18 needs assessment was shared with parents. Strengths and Weaknesses were identified. The committee recommends that Seton continue to sharing the message of accomplishments for both teachers and students and continue to market the website as a resource for parents.

### **Harrassment/Bullying Prevention Goals**

Bullying/Harrassment data was shared with the committee. Discussion ensued about the use of social media. The committee recommends that the school purchase a monitoring system to ensure that chromebooks are being appropriately used.

No further recommendations at this time. The meeting adjourned at 4:45
