### **A message from Mr. Meyer:**

Hello Seton Community,

My family and I are so excited that my work life and my faith life are finally coming together here at Seton Catholic School. My faith has been the center of my life since I was a student in a Catholic grade school in Menominee, Ill. I owe all of my accomplishments to the skills and values that were instilled there. It is an honor to lead a school in instilling those values in the next generation. I look forward to getting to know the Seton Community and growing through the continued development of Christ-centered Education.

Thanks to this community and their support of Catholic education, Seton Catholic has a reputation as the gold standard of Catholic education. Thank you for entrusting your students to the teachers and staff here. Thank you for the opportunity to continue to do the work that is so important to our shared faith.

Seton Strives  
Eric R. Meyer
