

Catholic Schools Week

January 31 – February 4, 2022

Seton Catholic School serves the parishes of St. Elizabeth Pastorate. This includes St. Clement, Bankston; St. Patrick, Epworth; St. Joseph, Farley; St. John the Baptist, Peosta; and St. John the Evangelist, Placid.

I am a product of Catholic Education: I went to a Catholic grade school, a Catholic high school, and a Catholic college. I have experienced 16 different Catholic Schools Weeks in my lifetime, but none of them have compared to my experiences last school year. Seton Catholic does Catholic Schools Week right! We do not do simple dress-up dates, these are not just silly games that we play to put one class or group against another. This week is full of joyous learning *opportunities*.

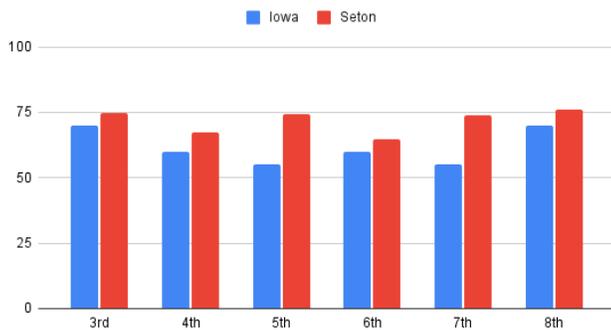

This week we have the opportunity to learn how to be a Bucket Filler - someone who fills the people around us so that they, in turn, can fill those around them. We are not just making good students who are good in the world, we are inspiring leaders of the future. Seton Catholic graduates are expected to go beyond good, they are expected to inspire others to be good by their own example.

Building leaders of the future is not easy. That is why we need everyone's help, it takes a village to make a difference. It takes a village to make a Saint. It takes a village to make a Seton Knight. I am honored, as I hope you are, to consider myself a part of this village.

Mission

Seton Catholic School, a Preschool through Eighth grade educational ministry of the St. Elizabeth Pastorate, provides a Christ-centered education to assist families in cultivating spiritual growth, academic excellence, and emotional development; to form the next generation of disciples to teach, witness, and share the gospel.

Vision

Seton Catholic School will be regarded as a leader in Catholic Education throughout the Archdiocese of Dubuque for faith and moral development. We will empower students to recognize and cultivate his or her God given gifts and talents, to achieve success today, and be prepared for leadership tomorrow.

"Steve and I consider Seton an extension of our family. Our children have been nurtured by the amazing Seton staff who have lots of years of experience and dedication. We love the smaller class sizes and the opportunities for our children to participate in mass. Attending school mass is definitely a highlight for parents as we witness the energy of Catholic education."

-Tanya Kluesner, Seton Catholic parent

DID YOU KNOW? All schools within the Archdiocese of Dubuque are accredited through the Iowa Department of Education. This means they must meet all of the DE requirements for nonpublic schools, including alignment with curriculum standards and reporting student assessment data. In addition, all administrators and teachers are licensed through the Iowa Board of Educational Examiners.

Prayer for Catholic Schools

Dear Lord,

Bless those who work and learn in our Catholic schools.

Give our teachers the grace every day to be models of you to all they meet.

Give our students the desire to learn their lessons, and also grow closer to you through our Mother and our older siblings, the Saints.

Give our administrators the guidance they need, to balance the needs of the school with a life modeled on you and your compassion.

Give our school parents the understanding, to make the most of school based on you for the academic and spiritual lives of their children.

Amen.

"One of the great qualities about Seton, along with education, is they equally stress the importance of teaching our boys life values. Faith, family, and teaching them to become respectful, responsible young men. Qualities that will benefit them in life no matter what career path they choose in the future."

-Toby Demmer, Seton Catholic parent
